No, it's not a GTX or a Road Runner, it's not even a Satellite, it's an entry-level Belvedere, two-door sedan. It's essentially a two-door taxicab! Parked in 1984, this 35K mile 1970 Plymouth Belvedere is located in Wahoo, Nebraska, and is available here on eBay for a current bid of \$5,300, eleven bids tendered as of this writing. In spite of this Belvedere's Plebian standing, it still manages to carry an aggressive posture about itself.

Plymouth Belvedere is a series of American automobile models made by Chrysler from 1954 to 1970 that were marketed under the Plymouth brand. The Belvedere name was first used for a new hardtop body style in the Plymouth Cranbrook line for the 1951 model year. In 1954 the Belvedere replaced the Cranbrook as the top trim and became a full model line with sedans, station wagons and convertible body styles. The Belvedere continued as Plymouth's full-sized car until 1965, when it became an intermedia
