A History Of The Crusades

(publ. Cambridge University Press) A History of the Crusades by Steven Runciman, published in three volumes during 1951-1954, is an influential work in the historiography of the Crusades. It has seen numerous reprints and translations and in some respects has come to be seen as a standard work on the topic.

A History of the Crusades - Wikipedia

The Crusades were a series of religious wars initiated, supported, and sometimes directed by the Latin Church in the medieval period. The term refers especially to the Eastern Mediterranean campaigns in the period between 1096 and 1271 that had the objective of recovering the Holy Land from Islamic rule.

Crusades - Wikipedia

The Crusades are generally portrayed as a series of holy wars against Islam led by power-mad popes and fought by religious fanatics. They are supposed to have been the epitome of self-righteousness and intolerance, a black stain on the history of the Catholic Church in particular and Western civilization in general.

The Real History of the Crusades

Crusades, military expeditions, beginning in the late 11th century, that were organized by western European Christians in response to centuries of Muslim wars of expansion.

Crusades | Definition, History, Map, Significance ...

The First Crusade was called in November 1095 by Pope Urban II at the town of Clermont in central France. The pope made a proposal: 'Whoever for devotion alone, but not to gain honour or money, goes to Jerusalem to liberate the Church of God can substitute this journey for all penance.'

The Crusades: A Complete History | History Today

This is the first volume of three (A History of the Crusades: Volume II The Kingdom of Jerusalem and the Frankish East, 1100-1187 and A History of the Crusades, Vol. III: The Kingdom of Acre and the Later Crusades (Volume 3)) which tells the history of the Crusades in the Holy Land. Runciman's first volume provides a narrative of not only the foundation of the Kingdom of Jerusalem, but also the foundation for the first crusade to the Holy Land.

History of the Crusades - Home

Steven Rucimann 's classic three volume history of the crusades. Published in the 1950 's by a noted Cambridge medieval historian these books capture the drama and tragedy of the Crusades. Beautifully written in elegant prose, Rucimann summarized centuries of conflict between the two warring faiths; Islam and Christianity.

A History of The Crusades, 3 Volume Set: The First Crusade ...

A Brief History of the Crusades The main goal of the crusades was to capture Jerusalem and the Holy Land from the Muslims, however, those who took up the cross were also motivated by their own interests which were not necessary religious or spiritual in nature.

A Brief History of the Crusades - World History Online

Harold Lamb perfectly contrasts the Islamic society of medieval times against that of the Europeans amidst the Crusades. He manages to bring out the best of both worlds at a time when they clashed violently for the control of the Holy Land.

A History Of The Crusades 3 Volume Set Steven Runciman ...

The Crusades were unprovoked attacks on a peaceful, superior culture. The true motive behind the Crusades was not piety but avarice. Crusading soldiers were cruel anti-Semites and racists. Muslim terrorism is a result of—and even justified by—long memories of what the Crusaders did centuries ago.

Analyzes the Crusades from European and Arabic viewpoints

Analyzes the Crusades from European and Arabic viewpoints

The six volumes of A History of the Crusades will stand as the definitive history of the Crusades, spanning five centuries, encompassing Jewish, Moslem, and Christian perspectives, and containing a wealth of information and analysis of the history, politics, economics, and culture of the medieval world.

Analyzes the Crusades from European and Arabic viewpoints

Why did the medieval Church bless William of Normandy's invasion of Christian England in 1066 and authorise cultural genocide in Provence? How could a Christian army sack Christian Constantinople in 1204? Why did thousands of ordinary men and women, led by knights and ladies, kings and queens, embark on campaigns of fanatical conquest in the world of Islam? The word 'Crusade' came later, but the concept of a 'war for the faith' is an ancient one. Geoffrey Hindley instructively unravels the story of the Christian military expeditions that have perturbed European history, troubled Christian consciences and embittered Muslim attitudes towards the West. He offers a lively record of the Crusades, from the Middle East to the pagan Baltic, and fascinating portraits of the major personalities, from Godfrey of Bouillon, the first Latin ruler of Jerusalem, to Etienne, the visionary French peasant boy who inspired the tragic Children's Crusade. Addressing questions rarely considered, Hindley sheds new light on pressing issues surrounding religious division and shows how the Crusades have helped to shape the modern world and relations between Christian and Muslim countries to this day.

The second volume of Steven Runciman's classic, hugely influential trilogy on the history of the Crusades 'There was magic about. Saladin himself was troubled by terrible dreams...' Steven Runciman's unrivalled history of the Crusades is a classic of learning and vivid, compelling storytelling, which brilliantly brings to life the personalities, battles, massacres, triumphs and follies of these epochal events. In this second volume of his trilogy Runciman tells the story of the foundation of the Kingdom of Jerusalem, the disastrous, bloody Second Crusade and the inexorable rise of the crusaders' nemesis, Saladin. 'The pre-eminent historian of the Byzantine Empire and of the Crusades ... a surefooted guide who could render the past visible and familiar' Daily Telegraph 'He tells his story plain ... always pleasurable to read' Gore Vidal

"Many people saw the Crusades as pilgrimages, many believed they were doing the will of God, and many too went for the booty. This was an institution that for more than five centuries punctuated European history, troubled Christian consciences and embittered Muslim attitudes towards the West, Geoffrey Hindley takes us from the Middle East and Muslim Spain to the pagan Baltic when 'Crusaders' reclaimed or extended Europe's frontiers, and offers lively portraits of major personalities who took part, from Godfrey of Bouillon, the first Latin ruler of Jerusalem, to Etienne the visionary French peasant boy who inspired the tragic 'Children's Crusade'." "Addressing aspects rarely considered, Hindley's penetrating study sheds light on some of the most pressing issues of religious division and shows how the Crusades helped to shape Europe, the modern world and relations between Christian and Muslim countries to this day." --Book jacket.

"Pulls off the enviable feat of summing up seven centuries of religious warfare in a crisp 309 pages of text."--Dennis Drabelle, Washington Post Book World In this authoritative work, Jonathan Riley-Smith provides the definitive account of the Crusades: an account of the theology of violence behind the Crusades, the major Crusades, the experience of crusading, and the crusaders themselves. With a wealth of fascinating detail, Riley-Smith brings to life these stirring expeditions to the Holy Land and the politics and personalities behind them. This new edition includes revisions throughout as well as a new Preface and Afterword in which Jonathan Riley-Smith surveys recent developments in the field and examines responses to the Crusades in different periods, from the Romantics to the Islamic world today. From reviews of the first edition: "Everything is here: the crusades to the Holy Land, and against the Albigensians, the Moors, the pagans in Eastern Europe, the Turks, and the enemies of the popes. Riley-Smith writes a beautiful, lucid prose. . . . [and his book] is packed with facts and action."--Choice "A concise, clearly written synthesis . . . by one of the leading historians of the crusading movement."--Robert S. Gottfried, Historian "A lively and flowing narrative [with] an enormous cast of characters that is not a mere catalog but a history. . . . A remarkable achievement."--Thomas E. Morrissey, Church History "Superb."--Reuven S. Avi-Yonah, Speculum "A first-rate one-volume survey of the Crusading movement from 1074 . . . to 1798."--Southwest Catholic

What is the relationship between the medieval crusades and the problems of the modern Middle East? Were the crusades the Christian equivalent of Muslim jihad? In this sweeping yet crisp history, Thomas F. Madden offers a brilliant and compelling narrative of the crusades and their contemporary relevance. Placing all of the major crusades within their social, economic, religious, and intellectual environments, Madden explores the uniquely medieval world that led untold thousands to leave their homes, families, and friends to march in Christ 's name to distant lands. From Palestine and Europe's farthest reaches, each crusade is recounted in a clear, concise narrative. The author gives special attention as well to the crusades ' effects on the Islamic world and the Christian Byzantine East.

The six volumes of A History of the Crusades will stand as the definitive history of the Crusades, spanning five centuries, encompassing Jewish, Moslem, and Christian perspectives, and containing a wealth of information and analysis of the history, politics, economics, and culture of the medieval world.
