Critics frequently describe the influence of "America," through Hollywood and other cultural industries, as a form of cultural imperialism. This unidirectional model of interaction does not address, however, the counter-flows of Chinese-language films into the American film market or the influence of Chinese filmmakers, film stars, and

Cinema of Hong Kong - Wikipedia

The history of Chinese film has three separate threads of development: Cinema of Hong Kong, Cinema of China, and Cinema of Taiwan. The cinema of Mainland China after 1949 has grown up somewhat suppressed by the Communist regime until recent times, although certain Chinese films are still being routinely censored or banned there but allowed to be played abroad.
