Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

Includes One night with a billionaire: Billionaire unmasked, the prequel.

Billionaire's Obsession book 9

After four years of working for "the billionaire boss from hell" Ally Caldwell thinks she finally has her life on the right track. Her fiance is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fiance, the man she'd nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally's blindsided, realizing she'd never even knew the man she'd been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she'd always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his highhanded arrogance or his methods of "helping." Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions in check, his emotions buried under a thick layer of ice. Only his secretary and assistant, Alison Caldwell, makes him come close to losing his carefully constructed image. The obstinate female keeps shoving him closer and closer to the edge of sanity every single day. But when he finds out about her fiance's betrayal, his protective instincts roar to life inside him, making him want to ensure she's never hurt again. The only problem is...Ally doesn't want his help, and the infuriating woman does everything she can to push him away, even as the two of them are swept into an undeniable passion that neither of them can possibly ignore. Before long, Travis finds himself in ruthless pursuit of something much more important and elusive than just a business deal. Can these two very different, very stubborn people actually be meant to be together? Find out if Travis and Ally can let down their defenses and surrender to a love so powerful it will rock them to the depths of their souls in Billionaire Undone, Book Five of The Billionaire's Obsession series. 18+ only
