A family faces and overcomes challenges as they rock climb, rappel, and explore caves.

A girl abandoned by her parents. A disabled princess who fights all odds to become the most feared warrior queen. A woman almost forced into sati by her trusted prime minister. A mother whose son brands her as a witch. This is the story of Rani Didda, the forgotten Hindu queen of undivided Kashmir. History is often unkind and cruel to women, especially women who wield power. Trampled by wars and religious crusades, lies hidden the story of a glorious woman who was considered a harbinger of bad times when she was born but went on to become a legendary warriorthe saviour of Srinagaram, the capital city of Kashmir. Didda: The Warrior Queen of Kashmir is the untold story of a woman's rise to power during the tenth century. The legend of Didda is entwined with a life of solitary struggles against prejudice and patriarchy. She eventually went on to rule the unified Kashmir encompassing the Lohar Kingdom and Kashmir for a period of forty-four years, taking it to glorious heights and making it the most powerful kingdom in mediaeval Asia. The foundation laid by Didda helped Kashmir defeat the dreaded warlord Mahmud of Ghaznavi twice.

Hot from the oven, these decadent, chewy oh-so-good cookies are the ones that stand the test of time in my vintage cookbook. From chocolate chip cookies to cookies with nuts to bar cookies, I have selected these special recipes so that you and your family can enjoy delicious cookies straight from the oven. Some of my fondest memories growing up are watching my grandmother work her magic in the kitchen with her old, tattered cookbook. I remember helping her crack eggs into a mixing bowl and watch as she spread flour over wax paper and prepped the cookies. The end result was always the same. The amazing aroma of warm, gooey cookies being pulled from the oven. Check out the wide range of vintage cookies provided in my cookbook. With 150 timeless recipes, you will always be prepared when the family is wanting warm, homemade cookies. You can have all the candy you want. For my money, cookies have been and always will be the ultimate "sweet-treat". After a hard day at the office, or a tough one at school for the kids, it's amazing how much a little round cookie can pick up the spirits or encourage the most finicky eater to finish his plate!

*This exceptional work provides information on composers of African heritage from around the world during the last 300 years. The 185 signed essays, most of which are accompanied by full-page portraits, are substantial in their coverage and analysis. Lists of compositions by genre, discographies, and printed works are also included. Those wanting further information will find the extensive bibliographies and inclusion of major archival holdings indispensable. Although all music genres are embraced, nearly half of the 185 entries are on classical composers who have seldom received significant public notice or mention in other reference sources. This is a truly outstanding source that libraries will not want to do without."--"Outstanding reference sources 2000", American Libraries, May 2000. Comp. by the Reference Sources Committee, RUSA, ALA.

Contains short biographies of primarily British legal luminaries. Only non-living persons who made an important contribution to common law prior to 1939 are included.
