Creating a Life Together is the only resource available that provides step-by-step, practical "how-to" information on how to launch and sustain a successful ecovillage or intentional community. Through anecdotes, stories, and cautionary tales about real communities, and by profiling seven successful communities in depth, the book examines "the successful 10 percent" and why 90 percent fail; the role of community founders; getting a group off to a good start; vision and vision documents ...

Creating a Life Together-Practical Tools to Grow ...

Creating a Life Together is a comprehensive, engaging, practical, well-organized, and thoroughly digestible labor of love. Hopefully scores of wannabe community founders and seekers will discover it before they launch their quest for community, and avoid the senseless and sometimes painful lessons that come from trying to reinvent the wheel. This

Advance Praise for Creating a Life Together

Making decisions together or creating a life together can become a power struggle, which is where we must be careful. It's not about winning," warns Véléz, but both psychologists agree that, eventually, one person's idea will override the other, and it's important that this doesn't lead to frustrations and damage the relationship.

Creating a life together \ *Health Coomeva Magazine*

Creating a Life Together is divided into three primary sections. Part one deals with start-up issues; this section of the book is worth its cost alone. Part two is what I might refer to as the "engine room" of the intentional community and includes discussion about agreements, policy, legal advice and entity, property concerns, zoning issues, neighbors, and financing.
