Date Out of Your League is an indispensable crash course in effectively attracting, dating, and bedding the women usually confined to fantasies, utilizing a simple strategy and formula for success that transcends winning with women, to winning in the boardroom, and in life. It will challenge you to examine your concepts of dating, your perception of failure and rejection, as well as your overall attitudes-the stuff that either makes you . or breaks you.

Straight-from-the-hip advice on how to find, date, and land that special person In this follow-up to her international bestseller How to Make Anyone Fall in Love With You, Leil Lowndes explains why, when it comes to the quest for true romance, no one needs to settle for anything less than Mr. or Ms. Right. Whether it's someone rich and classy, drop-dead gorgeous, with a high IQ, or truly honorable that a reader finds most desirable, Leil Lowndes shows how to weed out the frogs and find your own true prince or princess. Combining Lowndes's trademark wit and sage insights into human behavior with easy-to-master strategies and techniques, UpDating!: Offers readers a complete program for screening out the duds and finding, dating, and capturing the man or woman of their dreams Arms readers with different sets of techniques for attracting different categories of mates, including the gorgeous, the smart, the rich, the honorable, and others Helps romance seekers overcome selfdoubt, feel and act more confident, and be their best selves

Why are we attracted to some people and not to others? Are first impressions accurate? Why do some romantic relationships succeed while others fail? Are our romantic choices influenced by evolution? In tackling questions like these, The Social Psychology of Attraction and Romantic Relationships reviews the theory and research behind this fascinating area. It combines real-life anecdotes and popular media examples with the latest psychological studies, making it a lively and engaging read. Ideal for students of social psychology and intimate relationships courses, this is a comprehensive introduction to an everyday subject that, on closer investigation, proves to be a dynamic, intriguing, and sometimes surprising area.

"A humorous, candid and insightful memoir of Hayhurst's rookie season in the majors. . .Grade: Home Run." --Cleveland Plain Dealer After six years in the minors, pitcher Dirk Hayhurst hopes 2008 is the year he breaks into the big leagues. But every time Dirk looks up, the bases are loaded with challenges--a wedding balancing on a blind hope, a family in chaos, and paychecks that beg Dirk to answer, "How long can I afford to keep doing this?" Then it finally happens--Dirk gets called up to the Majors, to play for the San Diego Padres. A dream comes true when he takes the mound against the San Francisco Giants, kicking off forty insane days and nights in the Bigs. Like the classic games of baseball's history, Out of My League entertains from the first pitch to the last out, capturing the gritty realities of playing on the big stage, the comedy and camaraderie in the dugouts and locker rooms, and the hard-fought, personal journeys that drive our love of America's favorite pastime. "A rare gem of a baseball book." --Tom Verducci, Sports Illustrated "A fun read. . .This book shows why baseball is so often used as a metaphor for life." --Keith Olbermann "Entertaining and engaging. . .reminiscent of Jim Bouton's Ball Four." --Booklist "Observant, insightful, human, and hilarious." --Bob Costas

What's the first rule of reinventing yourself as a cool girl at a new school? Steer clear of your old crush. A new school means a fresh start. So long Ronnie Smith, invisible tomboy, and hello Veronica, popular new hottie. This is my chance to finally be seen...and kissed. Yeah, that's right. I've never been kissed. But I mean to change all that now that I'm starting over with a new look and attitude. The only problem? I'm not the only one from my old school who's transferred to Briarwood High. Drew Remi is here, too, and he's still the same wildly popular baseball star. He's also the only person who can ruin my new life. But he can only rat me out if he recognizes me. So, why am I so upset when he doesn't have a clue who I really am?

The baseball classic that Ernest Hemingway called "beautifully observed and incredibly conceived," now repackaged and including a foreword from Jane Leavy and never-before-seen content from the Plimpton archives. The first of Plimpton's remarkable forays into participatory journalism, OUT OF MY LEAGUE chronicles with wit, charm, and grace what happens when a self-professed amateur has the chance to answer every fan's question: could he strike out a major league star? Plimpton's inspired idea--to get on the mound and pitch a few innings to the All-Stars of the American and National Leagues--begins as a fun-filled stunt and comes to a deeply hellish, nearly humiliating end. This honest and hilarious tale features Mickey Mantle, Willie Mays, Whitey Ford, Ralph Houk, and other baseball greats and is "a baseball book such as no one else ever wrote, and one of the best ever." --New York Herald Tribune

It's all fun and games until someone catches feelings. Sophia Wallace is convinced her life is over when her high school cuts the journalism program. Without the elective, she loses her chance to intern with the biggest newspaper company in the county, and why? All because the baseball team needs more funding. To make matters worse, her boyfriend publicly dumps her at a party, which is mortifying. But the icing on the cake is when the captain of the baseball team and the most popular guy at Bayview High, Walsh Hunter, decides to be chivalrous. He jumps in, throws his arm around Sophia, and declares his undying love for her. In front of everyone. Suddenly, Sophia is thrown into a world of fake relationships and undercover journalism, and she realizes she's way, way out of her league. Good thing she's got the team captain to teach her how to play. But faced with choosing between saving her journalism class or her newfound feelings for Walsh, will she strike out or hit a home run?

High school junior Ian Rowe has a crush on senior Jennifer Patt and wants to ask her to the prom, but when he builds up the courage to ask her, he is afraid he may be setting himself up for heartache. Original.

Franklin and Celeste's open marriage seemed perfectly safe—until the day Amber entered his life and showed them why the heart does not obey rules.

In He's Just Not Your Type (And That's a Good Thing), a relationship expert and dating columnist shares her counterintuitive approach to lasting love: encouraging women to date their "non-types." After years of dating, many women fall into a relationship rut. As serial daters, they are attracted to the same type of man time and again. Clearly, something's not working. But the problem is not that he's just not that into them—the reality is, he's just not their type. Relationship expert and life coach Andrea Syrtash hears the disbelief in her clients' voices when they admit that their "Mr. Right" relationship has again gone wrong. In He's Just Not Your Type, Syrtash challenges readers to date outside their comfort zones and poses hard-hitting questions: What if the kind of man they think will make them happy never will? What would happen if they dated someone they'd never considered dating? In each chapter, Syrtash shares stories of women who have found lasting happiness with their non-types (NTs) and provides exercises designed to help readers assess their big-picture goals and core values. In doing so, she shows women how to make better choices in dating so they are more likely to find true love.
