Emerging Wireless  
Multimedia: Services  
and Technologies ...

This book examines  
this evolution,  
looking at an array of  
the most up-to-date  
wireless multimedia  
technologies and  
services. The first part

# Download Free Emerging

focuses on enabling technologies for wireless multimedia, while the second is dedicated to the new wireless multimedia services that are expected to play a key role in the future wireless environment. In addition, the related recent standardization,

# Download Free Emerging

research and industry  
activities are  
addressed.
