Encyclopaedia Of Cities And Towns
Encyclopedia / Cities & Towns.
Paris, Paris, city and capital of France, situated in the north-central part of the country. People were living on the site of the present-day city, located along the Seine River some 233 miles (375 km) upstream from the river's mouth on the English Channel (La Manche), by about 7600 bce.

Cities & Towns Portal—Encyclopedia Britannica

Towns have usually accommodated great social diversity, making them places of magnificent human achievements as well as sometimes-violent struggles over resources and power. The words town and city are largely interchangeable, with the former used more in Britain than in the United States, where it is typically reserved for smaller settlements. The names are applied to places with substantial clusters of residents and buildings as well as complex social and economic structures.

Cities And Towns—Encyclopedia.com

Encyclopaedia Britannica's editors oversee subject areas in which they have extensive knowledge, whether from years of experience gained by working on that content or via study for an advanced degree.... See Article History. List of cities and towns in England—Simple English---

IMPERIAL CITIES OR TOWNS, the usual English translation of Reichsstädte, an expression of frequent occurrence in German history. These were cities and towns subject to no authority except that of the emperor, or German king, in other words they were immediate; the earliest of them stood on the demesne land of their sovereign, and they often grew up around his palaces.

1911 Encyclopædia Britannica/Imperial Cities or Towns---

City, relatively permanent and highly organized centre of population, of greater size or importance than a town or village. The name city is given to certain urban communities by virtue of some legal or conventional distinction that can vary between regions or nations. In most cases, however, the concept of...

Encyclopaedia of cities and towns in India (Book, 2008)---

City populations are in some cases the population of a municipality, but municipalities can be smaller than the city proper, or they may include vast rural areas. LookLex definition of a city or town requires continued settlement, and defines the border between neighbouring cities to be the administrative border, a river or a major highway.
