Environmental Discourse and Practice: A Reader by Edited by Lisa M. Benton This book brings together a set of readings that throw light on the relationship between people and the environment. The editors introduce the concept of "environmental discourses" - explanations of the world around us - to help readers understand why human-environmental relationships take on the forms that they do.

~~Environmental Discourse and Practice : Lisa M. Benton ...~~
The term discourse (L. discursus, “ running to and fro ”) identifies and describes written and spoken communications. In semantics and discourse analysis, a discourse is a conceptual generalization of conversation. In a field of enquiry and social practice, the discourse is the vocabulary (codified language) for investigation of the subject, e.g. legal discourse, medical discourse, religious ...
