A 2018 Most Anticipated Young Adult book from debut author Adrienne Young, *Sky in the Deep* is part Wonder Woman, part Vikings—and all heart. **OND ELDR. BREATHE FIRE.** Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago. Faced with her brother's betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront

her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating.

The Lord himself will come down from heaven. We will hear a loud command. We will hear the voice of the leader of the angels. We will hear a blast from God's trumpet. ... We will be taken up in the clouds. We will meet the Lord in the air. And we will be with him forever. (1 Thessalonians 4:16-17, NIrV) Many are waiting for the return of Jesus Christ. But what if it's already happened? Rapture is the biblical prophecy of Christ's promise to physically return to the earth and gather his followers to meet him in the sky and be granted eternal life in heaven. In *A Beginner's Guide to the Rapture: The History of Christ's Return*, Greg Legge presents a thorough study of historical evidence to argue that Christ fulfilled this promise nearly two thousand years ago. Legge makes a compelling argument that the rapture has come and gone by pairing history with relevant biblical scripture. From analyzing the works of 19th century Adventists to detailing the lives of the 1st century leaders of the Roman Empire, Legge proves that what society has come to assume about the Second Coming may be completely wrong.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination.
