Now, even the youngest readers can play hide-and-seek on the page with these word searches. While having fun, kids are also doing serious vocabulary building as they come to know the names of foods, clothes, and other interesting things. And that gives kids a great head-start in school.

First Word Search: Reading Made Easy by Steve Harpster ...

A great start to word search puzzles for children still learning to read. Could use a few more 3 letter words and less 4/5 letter words but still a great deal and an easy learning tool. Be nice if this was offered in bulk pricing for teachers to use as a learning tool.
