In one of his finest achievements, Nobel Prize winner Saul Bellow presents a multifaceted portrait of a modern-day hero, a man struggling with the complexity of existence and longing for redemption. A Penguin Classic This is the story of Moses Herzog, a great sufferer, joker, mourner, and charmer. Although his life steadily disintegrates around him—he has failed as a writer and teacher, as a father, and has lost the affection of his wife to his best friends—Herzog sees himself as a survivor, both of his private disasters and those of the age. He writes unsent letters to friends and enemies, colleagues and famous people, revealing his wry perception of the world and the innermost secrets of his heart. This Penguin Classics edition features an introduction by Philip Roth.

Saul Bellow's *Herzog* is part confessional, part exorcism, and a wholly unique achievement in postmodern fiction. Is Moses Herzog losing his mind? His formidable wife Madeleine has left him for his best friend, and Herzog is left alone with his whirling thoughts - yet he still sees himself as a survivor, raging against private disasters and the myriad catastrophes of the modern age. In a crumbling house which he shares with rats, his head buzzing with ideas, he writes frantic, unsent letters to friends and enemies, colleagues and famous people, the living and the dead, revealing the spectacular workings of his labyrinthine mind and the innermost secrets of his troubled heart. This Penguin Modern Classics edition includes an introduction by Malcolm Bradbury 'Spectacular ... surely Bellow's greatest novel' Malcolm Bradbury 'A masterpiece ... Herzog's voice, for all its wildness and strangeness and foolishness, is the voice of a civilization, our civilization' *The New York Times Book Review*

"This age is full of fearful abysses. If people are to go ahead they must move and into and through these abysses. The old definitions of balance and sanity do not help on this journey, but the ideals these terms gesture at remain, even though they require fresh definition. Love still counts, justice still counts, and particularly intellectual and emotional courage still count. This book reserves its sharpest criticism for those people...who try to cope homeopathically with the threat of violence under which we all live by cultivating an analogous, imaginative violence or intemperate despair." -*Books of the Century*; *New York Times* review, September 1964

Na meia-idade, em crise na profissão, traído pela mulher, que o trocou por seu melhor amigo, Moses Herzog sente sua sanidade vacilar. Às voltas com uma fogosa nova namorada, com a tentativa inglória de conquistar a guarda da filha pequena e com um livro de filosofia que nunca termina, Herzog escreve cartas (jamais enviadas) a parentes, amigos, inimigos e grandes personalidades vivas ou mortas, como o presidente Dwight Eisenhower e o filósofo Friedrich Nietzsche.

It's sweltering summer in New York City, and Asa Leventhal is alone. His co-workers ignore or condescend to him, his wife is away with her mother, and his estranged brother has run off, abandoning his wife and two sons. One night, Leventhal is confronted by a stranger--'one of those guys who want you to think they can see to the bottom of your soul'--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. But as time passes, he is increasingly unable to separate his own good fortune from the bad luck of this down-and-out stranger, who will not leave him be. A brief, haunting rumination on the vagaries of fate and responsibility, *The Victim* is, in the words of Norman Rush, Saul Bellow's "purest creation."

"It blazes as fiercely and scintillatingly as a forest fire. There is life here; a great rage to live more fully. In this it is a giant among novels." (*San Francisco Examiner*) A Penguin Classic Saul Bellow evokes all the rich colors and exotic customs of a highly imaginary Africa in this acclaimed comic novel about a middle-aged American millionaire who, seeking a new, more rewarding life, descends upon an African tribe. Henderson's awesome feats of strength and his unbridled passion for life win him the admiration of the tribe—but it is his gift for making rain that turns him from mere hero into messiah. A hilarious, often ribald story, *Henderson the Rain King* is also a profound look at the forces that drive a man through life. This Penguin Classics edition contains an introduction by Adam Kirsch. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Renowned writer Saul Bellow reflects on the times in which we live and the craft of writing. Bellow asks what meaningful words are left to write in the face

of such events as revolutions, world wars, the atom bomb, and who would take the time to read them if new words were found or invented. Fortunately Faulkner is no longer alive, and unfortunately, neither is Hemingway.
