How Obelix fell into the magic potion when he was a little ...

Obelix is a cartoon character in the French comic book series Asterix. He works as a menhir sculptor and deliveryman, and is Asterix's best friend. Obelix is noted for his fatness, the menhirs he carries around on his back and his superhuman strength. He fell into a cauldron of the Gauls' magic potion when he was a baby, causing him to be the only Gaul in Asterix's village who is in a permanent state of superhuman strength. Because of this already enormous strength, Obelix is not allowed to drin

All of the Asterix stories feature references to Obelix falling into the Druid's Cauldron of magic potion when he was about six years old. This was the event through which he derived his phenomenal physical strength. Here is the full story of how it happened.

When the Vikings kidnap Justforkix, the timid but very trendy son of one of Chief Vitalstatistix' closest and most powerful friends, believing he has the key to the secret of the magic potion, Asterix and Obelix are sent on one of their most dangerous missions. For they must voyage north to the Vikings' home territory and rescue Justforkix, before the Vikings find out he is not who they think he is, and make him pay the price. Meanwhile, the fact that the Vikings' chief's daughter, Abba, has fallen for Justforkix only makes matters more complicated...

The year is 50BC, and all Gaul is occupied. Only one small village of indomitable Gauls still holds out against the invaders. But how much longer can Asterix, Obelix and their friends resist the mighty Roman legions of Julius Caesar? Anything is possible, with a little cunning plus the druid Getafix's magic potions! Their effects can be truly hair-raising...

In this special collector's edition, books 19 to 21 are brought together in one fabulous volume. In *ASTERIX AND THE SOOTHSAYER*, a sinister figure arrives in the Gaulish village. Prolix claims to be a soothsayer and the villagers believe every word he says, but Asterix isn't convinced... In *ASTERIX IN CORSICA*, the Corsican chieftain, Boneywasawarriorwayayix, needs Asterix and Obelix's help to foil the evil designs of Praetor Perfidius and oppose Julius Caesar's army. In *ASTERIX AND CAESAR'S GIFT*, Legionary Tremensdelirius gets the title deeds to the Gaulish village as a bonus - then swaps them with tavern landlord Orthopaedix for a drink. But Asterix and his friends aren't keen to hand over their village!

Asterix and Obelix escort Getafix to the druids' annual conference in the Forest of the Carnutes. Little do they know that the Goths are lying in ambush, ready to kidnap the Druid of the Year - who of course is Getafix! But what with Gauls, Goths and Romans all at odds, it's hard to tell friend from foe... until Goths begin fighting Goths in the Asterixian Wars.

It's a disaster - the druid Getafix has broken his golden sickle. Asterix and Obelix go to Lutetia (now Paris) to buy him a new one. Soon they are tangling with the criminal underworld of the big city - can they outwit Navishtrix, Clovogarlix and the sickle-trafficking gang? Will Getafix ever be able to brew magic potion again?
