Margaret Wise Brown's Manners (Little Golden Book) eBook ...

A new sort of manners book, through the story of the raccoon and the penguin who lived and travelled together, and of how the raccoon impressed various aspects of good manners on the little penguin. There is perhaps an element of confusion from the fact that the little penguin applies his instructions at the wrong times or with the wrong people, but it makes for an entertaining nonsense tale.

Margaret Wise Brown's Manners by Margaret Wise Brown ...

I love Margaret Wise Brown. And I found this new book to be very timely--especially with pages on how one should treat smaller/vulnerable people and how one should not. The whole book has great text about manners in general, but I was able to talk about compassion and character as well. (Love the Little Golden Books.)
