Office 2019 is separate from Office that's available through Office 365 (or Microsoft 365) plans. For example, if you've deployed Microsoft 365 Apps for enterprise (previously named Office 365 ProPlus) to the users in your organization, you don't need Office 2019. You already have all the features, and many more, that are included in Office 2019.
