This popular guide has been fully updated and redesigned to reflect exactly what today's students want to know. It is the most accessible guide to higher education and student life in the UK and provides reliable, lively and unbiased information on what universities really offer. The establishments are listed alphabetically, with each entry providing a wealth of information, from a description of the campuses to famous alumni. A separate section supplies a list of courses and which universities offer them, making it easy for the reader to cross-reference their chosen course with the right university.

The Virgin 2012 Guide to British Universities is the only university guide to offer a uniquely students' eye view of what it's like to study at a particular university. As well as hard facts and practical information on every UK university - such as official ratings for teaching, statistics on where graduates end up and employment prospects by subject - the guide is also packed with useful information such as what the social scene is like, how much living costs are likely to be and what the student profile at a particular university is really like. With a comprehensive entry on every UK university, The Virgin Guide to British Universities contains all the information and advice potential undergraduates will need to choose the best university for them.
