Larger residential bldg setbacks • Less dense. Smart Standards for Small Towns.

Design Guidelines for Small Towns & Rural Communities

According to the latest data from the Centers for Disease Control and Prevention's Autism and Developmental Disabilities Monitoring Network, one in 59 children lived with autism in 2014, up from one in 150 in 2000. Autism's increasing prevalence calls for planners to plan and design the public realm to improve the quality of life for people with autism.
