Manifesto for Business Evolution

Description. No business concept was more important to America's economic revival in the 1990s than reengineering -- introduced to the world in Michael Hammer and James Champy's Reengineering the Corporation. Already a classic, this international bestseller describes how the radical redesign of a company's processes, organization, and culture can achieve a quantum leap in performance.

Reengineering the Corporation : A
Manifesto for Business ...

Reengineering the corporation, the
authors argue, means ceasing to
think in terms of jobs and
objectives and other such
traditional management concepts
and starting to think in terms of
"process." The entire "work
process" must be reconceived and
restructured, with everything up
for grabs and nothing taken as a
given.
