Bettina Belitz. 3.60 · Rating details · 848 ratings · 47 reviews ... Wie schon "Splitterherz" beginnt auch "Scherbenmond" mit einem Prolog, der gleichzeitig poetisch und Unheil verkündend ist. Es ist relativ einfach, wieder zurück in die Story zu finden. Man wird direkt ins Geschehen geschmissen, allerdings erfährt man, was in den Monaten ...

Jetzt exklusiv und nur als E-Book: eine neue, abgeschlossene Kurzgeschichte von Bettina Belitz! Alles auf Anfang. Der erste Blick, die erste Begegnung. Der Beginn einer großen Liebe. Nie war für Colin ein Mädchen faszinierender gewesen als dieses zarte Wesen an der Bushaltestelle. Und nie war sein Hunger größer. Wie hat Colin das erste Treffen mit Ellie erlebt? Die Splitterherz-Trilogie: Band 1: Splitterherz Band 2: Scherbenmond Band 3: Dornenkuss

Veronica Mars muss sich in ihrem aktuellen Fall mit den verborgenen Seiten eines der glamourösesten Orte in Neptune befassen: Das Neptune Grand war schon immer das eleganteste Hotel am Platz. Der pure Luxus ist hier zu Hause - Reiche und Prominente gehen ein und aus. Doch das Neptune Grand ist auch Schauplatz zwielichtiger Geschäfte und diverser Skandale. Als eine Frau behauptet, in einem der Zimmer brutal angegriffen worden zu sein, wenden sich die Hotelbesitzer an Veronica. Die Veronica Mars-Fernsehserie und der im vergangenen Jahr gezeigte Kinofilm begeisterten Zuschauer weltweit. Auch der erste Roman rund um die toughe Privatdetektivin, Zwei Vermisste sind zwei zu viel, der die Handlung des Kinofilms weiterspinnt, rief enthusiastische Rückmeldungen bei Fans und Thriller-Lesern hervor und stürmte sogleich die Bestsellerliste der New York Times. Nun legt Veronica Mars-Schöpfer Rob Thomas den heißersehnten zweiten Thriller um die Kult-Detektivin vor.

Manchmal braucht man ein bisschen Magie, um zu sich selbst zu finden und zur ersten großen Liebe. Und niemand erzählt das auf so poetische und humorvolle Weise wie Splitterherz -Autorin Bettina Belitz. Mit Panthersommernächte legt die Bestsellerautorin einen fantastischen Jugendroman vor, der in Ton und Stimmung an ihre beliebte Luzie & Leander -Reihe anknüpft. Unter Ninas Bett liegt ein schwarzer Panther. Eine lebendige, wilde Raubkatze, die urplötzlich in der Kleinstadt aufgetaucht ist und die Bürger in Angst und Schrecken versetzt. Während draußen schon der Schützenverein zur Jagd auf "die Bestie" bläst, ist es Nina gelungen, Kontakt zu dem Tier aufzunehmen. Sie spürt den geheimnisvollen Zauber des Panthers, der sich sogar von ihr berühren lässt. Aber ein Panther ist kein Schmusekätzchen. Er braucht Freiheit und vor allem täglich jede Menge frisches Futter. Hilfe bekommt Nina von ihrem Klassenkameraden Lionel. Ausgerechnet, denn Lionels Vater ist der Anführer der Panther-Jagdgesellschaft. Mehr Infos zu den Büchern von Bettina Belitz unter: www.bettina-belitz.de

A new and enticing voice in fiction draws readers through the streets of Paris and New York on an intricate adventure. It's twisting, contemplative, playful and darkly entertaining. What writer Benjamin Constable needs is a real-life adventure wilder than his rampant imagination. And who better to shake up his comfortable Englishman-in-Paris routine than the enigmatic Tomomi "Butterfly" Ishikawa, who has just sent a cryptic suicide note? She's planted a slew of clues—in the pages of her journal, on the hard drive of her computer, tucked away in public places, under flowerpots, and behind statues. Heartbroken, confused, and accompanied by an imaginary cat, Ben embarks upon a scavenger hunt leading to charming and unexpected spaces, from the hidden alleys of Paris to the cobblestone streets of New York City. But Butterfly's posthumous messages are surprisingly well informed for the words of a dead person, and they're full of confessions of a past darkened by insanity, betrayal, and murder. The treasures Ben is unearthing are installments of a gruesome memoir. Now he must draw a clear line between the real and surreal if he is to save himself, Butterfly, and what remains of their crazy and amazing friendship.

New York Times bestselling series! The first book in the New York Times bestselling series *The Lying Game*, by the author of the bestselling *Pretty Little Liars* series, Sara Shepard. Shortly before her seventeenth birthday, Emma discovers she has a long-lost twin named Sutton Mercer. She contacts Sutton, who agrees to a rendezvous but never shows up. Curious at first, Emma slips into Sutton's ultra-glamorous life, assuming her identity. When it becomes clear that Sutton is not coming back, that someone made sure she never could, Emma plunges in to investigate who could have wanted her sister gone (a fairly long list, she discovers). Unfortunately, taking over Sutton's life means innocent little Emma has inherited all that bad blood—and then some. Perfect for fans of Sara Shepard's #1 New York Times bestselling series *Pretty Little Liars*, *The Lying Game* has all the juicy plot lines, to-die-for lifestyles, and compelling secrets that fans love.

The award-winning YA author weaves “an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways” (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of *Tiger Moon*, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

An inventive and richly visual novel about young lovers on a quest to find a cure for a magical ailment, perfect for readers of Alice Hoffman. Strange things are happening on the remote and snowbound archipelago of St. Hauda's Land. Unusual winged creatures flit around the icy bogland, albino animals hide themselves in the snow-glazed woods, and Ida Maclaird is slowly turning into glass. Ida is an outsider in these parts, a mainlander who has visited the islands only once before. Yet during that one fateful visit the glass transformation began to take hold, and now she has returned in search of a cure. Midas Crook is a young loner who has lived on the islands his entire life. When he meets Ida, something about her sad, defiant spirit pierces his emotional defenses. As Midas helps Ida come to terms with her affliction, she gradually unpicks the knots of his heart. Love must be paid in precious hours and, as the glass encroaches, time is slipping away fast. Will they find a way to stave off the spread of the glass? *The Girl with Glass Feet* is a dazzlingly imaginative and magical first novel, a love story to treasure.

In a submerged Manhattan where outcasts have paranormal powers, Aria Rose is engaged to Thomas Foster, and their powerful families--once enemies--are uniting politically, but Aria cannot remember meeting Thomas or falling in love with him.

Eureka, whose tears can raise the lost continent of Atlantis and who travels across the ocean with Cat, her family, and Seedbearer Ander, has the chance to save the world but might have to give up everything--even love.

When Keith Stapperpfennig and his family give their grandfather the trip of a lifetime—an all expenses paid holiday to any destination in the world—the eccentric old man arbitrarily chooses China, and he asks Keith to accompany him. But when Keith loses all the money for the journey at a casino, he goes into hiding—mostly under his desk—and his grandfather—equally uninterested in actually traveling to China—heads down the road to engage in a similar subterfuge. And it is here that the novel opens, two men in hiding, mere miles apart. But when his grandfather dies unexpectedly, Keith is left to continue the farce alone. With the aid of a guidebook, Keith writes a series of letters home to his brothers and sisters, detailing their imaginary travels and the bizarre sights they see. These start off harmlessly, but before long he starts adding invented details: non-stop dental hygiene shows on television, dog vaccinations at the post office—and the letters get longer and longer. Engaging, strange, and ultimately moving, this hilarious novel from Tilman Rammstedt won him the prestigious Ingeborg Bachmann Prize in 2008 and confirmed him as one of Germany's most compelling writers.
