Words are extremely important for kids, specifically

Kindergarteners, to learn. Sight words make up a major portion of the words that children will learn to read and write at their young age. Each level of sight words builds up to the next, meaning kids will need to remember each level to help progress

words. Sight words are  
words in English

language that do not  
have a simple one-to-  
one correspondence  
between sounds and  
written letters, and  
therefore have to be  
learned “by sight.”

Being able to quickly  
recognize sight words is  
a crucial part of learning
