Exploring Social Psychology succinctly explores social psychological science and applies it to contemporary issues and everyday life. Based on the bestselling text, *Social Psychology* by David Myers and Jean Twenge, the book presents 31 short modules—each readable in a single sitting—that introduce students to such scientific explorations as love and hate, conformity and independence, prejudice and helping, and persuasion and self-determination. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based learning service accessible online through your
