Most prospective hires come well prepared for the formulaic interview questions we have all come to expect. And not surprisingly their answers do not often distinguish them from any other applicant. So the employer is left with no choice but to take a hunch. But with High-Impact Interview Questions by your side, you will no longer have to do your best guess work on what answers are genuine, which are rehearsed, and which will end up not reflecting the employee in the least. This invaluable resource shows you how to dig deeper using competency-based behavioral interviewing methods to uncover truly relevant and useful information. When the candidate is asked to describe specific, job-related situations, the interviewer will gain a clearer picture of past behaviors--and more accurately predict future performance. Complete with advice on evaluating answers and assessing cultural fit, the second edition of this user-friendly guide features dozens of all-new questions designed to gauge accountability, assertiveness, attention to detail, judgment, follow-through, risk-taking, social media usage, and more. By interviews' s end, the real person behind the résumé will be revealed and you will be able to make an offer based on accurate findings, not hopeful hunches.
