Modern Classics Storm of Steele (Penguin Modern Clas ...

Storm of Steel (in German: In Stahlgewittern) is the memoir of German officer Ernst Jünger's experiences on the Western Front during the First World War.It was originally printed privately in 1920, making it one of the first personal accounts to be published. The book is a graphic account of trench warfare.It was largely devoid of editorialization when first published, but was heavily revised ...

Storm of Steel - Wikipedia

STORM OF STEEL offers WWI from a German soldier's point of view, but Erich Maria Remarque it ain't. All told, author Ernst Junger was shot multiple times, yet would live not only to write this book (and many others) but to celebrate his 103rd birthday (attended by an unusually patient Grim Reaper-in-Waiting).

Storm of Steel by Ernst Jünger - Goodreads

Storm of Steel was one of the very first accounts of World War I to be published; it was followed later in the 1920s by war memoirs like Robert Graves's Goodbye to All That, Erich Maria Remarque's All Quiet on the Western Front (in contrast to Storm of Steel, a novel portraying disillusionment among German soldiers), and the poetry of ...

Ernst Junger served in the German front line, fighting both the British and the French for most of World War I. Young, tough, patriotic but also disturbingly self-aware, he exulted in the war, which he saw not just as a great national struggle but - more importantly - as a unique personal struggle. Leading raiding parties, defending trenches against murderous British incursions, simply enduring as shells tore his comrades apart, Junger kept testing himself, braced for the death that would mark his failure. bestseller and can now be rediscovered through Michael Hofmann's translation.

One of the great war memoirs, published here in a stunning Deluxe Edition for the centenary of World War I and the Battle of the Somme—and featuring a foreword by the New York Times bestselling author of *Matterhorn* A worldwide bestseller published shortly after the end of World War I, *Storm of Steel* is a memoir of astonishing power, savagery, and ashen lyricism. It illuminates not only the horrors but also the fascination of total war, as seen through the eyes of an ordinary German soldier. Young, tough, patriotic, but also disturbingly self-aware, Ernst Jünger exulted in the Great War, which he saw not just as a great national conflict but also—more importantly—as a unique personal struggle. Leading raiding parties, defending trenches against murderous British incursions, simply enduring as shells tore his comrades apart, Jünger keeps testing himself, braced for the death that will mark his failure. His account is ripe for rediscovery upon the centennial of the Battle of the Somme—a major set piece in *Storm of Steel*—and a bracing read for fans of *Redeployment* and *American Sniper*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Junger's great book matter-of-factly conveys the mysterious glamour of war, the exhilaration of its excess and intensity and, not least, the undeniable glory of men bravely preparing for battle as for "some terrible silent ceremonial that portends human sacrifice."

Originally published in 1920, *The Storm of Steel* is a first-hand account of World War I trench combat lifted from the diaries of Ernst Jünger, a German infantryman who would become one of Europe's most talented writers. The book was first translated into English in 1929 by Basil Creighton, the acclaimed translator of many other classic works of German literature, and was widely hailed as a masterpiece. *The Storm of Steel* remains the definitive account of World War I, following Jünger through several major engagements as he develops from an eager young soldier into a battle-hardened officer. Subsequent revisions by the author removed many of the original editions' vivid descriptions of battle, along with his reflections on leadership, patriotism, and the nature of heroism, while later translations failed to compare to the original's compelling and readable prose. The original translation eventually fell out-of-print, and is now being made available for the first time in decades to allow a new generation of readers to experience the classic that introduced millions to one of Europe's greatest voices.

In this book I have written about some aspects of the war which, I believe, the world must know and remember, not only as a memorial of men's courage in tragic years, but as a warning of what will happen again--surely--if a heritage of evil and of folly is not cut out of the hearts of peoples. Here it is the reality of modern warfare not only as it appears to British soldiers, of whom I can tell, but to soldiers on all the fronts where conditions were the same.

Get Free Storm Of Steel Penguin Modern Classics

“I took my road with no little pride of fear; one morning I feared very sharply, as I saw what looked like a rising shroud over a wooden cross in the clustering mist. Horror! But on a closer study I realized that the apparition was only a flannel gas helmet. . . . What an age since 1914!” In *Undertones of War*, one of the finest autobiographies to come out of World War I, the acclaimed poet Edmund Blunden records his devastating experiences in combat. After enlisting at the age of twenty, he took part in the disastrous battles at the Somme, Ypres, and Passchendaele, describing them as “murder, not only to the troops but to their singing faiths and hopes.” All the horrors of trench warfare, all the absurdity and feeble attempts to make sense of the fighting, all the strangeness of observing war as a writer—of being simultaneously soldier and poet—pervade Blunden’s memoir. In steely-eyed prose as richly allusive as any poetry, he tells of the endurance and despair found among the men of his battalion, including the harrowing acts of bravery that won him the Military Cross. Now back in print for American readers, the volume includes a selection of Blunden’s war poems that unflinchingly juxtapose death in the trenches with the beauty of Flanders’s fields. *Undertones of War* deserves a place on anyone’s bookshelf between Siegfried Sassoon’s poetry and Robert Graves’s *Goodbye to All That*.

In the tradition of *All Quiet on the Western Front*, Elton E. Mackin’s memoirs are a haunting portrayal of war as seen through the eyes of a highly decorated Marine who fought in every Marine Brigade battle from Belleau Wood to the crossing of the Meuse on the eve of the Armistice. Praise for *Suddenly We Didn’t Want to Die* “This beautifully written and truly gripping war memoir is a significant addition to battlefield literature. A minor classic . . . An altogether remarkable job [comparable] to Crane, Remarque and Mailer. Deserves the widest possible audience.”—*The Cleveland Plain Dealer* “This immediate, eloquent report merit[s] comparison with Thomas Boyd’s Marine Corps [1923] classic *Through the wheat*.”—*Publishers Weekly* “A real curiosity: a highly mannered World War I diary, published nearly 80 years after being written and 20 years after its author’s death. Bright snapshots abound. . . sometimes a young man’s lyricism takes over [but] the horror of war never departs. The diary has the faults one expects, and the promise one prays for. A fine addition to WWI literature.”—*Kirkus Reviews* “A forthright, eloquent, and powerful memoir certain to become an enduring testament to the drama and tragedy of World War I. Threaded with no small measure of poetry, this superb memoir is sure to become a classic.”—*Great Battles* “A plain but powerful tale . . . [in] vivid prose loaded with details that bring the horrors of World War I to life, he tells an exceptional new version of the old story of battle transforming a boy into a veteran.”—*American Library Association Booklist* “To the ranks of Erich Maria Remarque, E.E. Cummings, John Dos Passos and Siegfried Sassoon, we must now add Elton Mackin . . . who, in a terse style reminiscent of Hemingway, [succeeds] in making someone unfamiliar with war truly now the frightfulness of the trenches and the greatness of the many men who fought in them.”—*Marine Corps Gazette*

Ernst Jünger was one of twentieth-century Germany’s most important—and most controversial—writers. Decorated for bravery in World War I and the author of the acclaimed western front memoir *Storm of Steel*, he frankly depicted war’s horrors even as he extolled its glories. As a Wehrmacht captain during World War II, Jünger faithfully kept a journal in occupied Paris and continued to write on the eastern front and in Germany until its defeat—writings that are of major historical and literary significance. Jünger’s Paris journals document his Francophile excitement, romantic affairs, and fascination with botany and entomology, alongside mystical and religious ruminations and trenchant observations on the occupation and the politics of collaboration. While working as a mail censor, he led the privileged life of an officer, encountering artists such as Céline, Cocteau, Braque, and Picasso. His notes from the Caucasus depict the chaos after Stalingrad and atrocities on the eastern front. Upon returning to Paris, Jünger observed the French resistance and was close to the German military conspirators who plotted to assassinate Hitler in 1944. After fleeing France, he reunited with his family as Germany’s capitulation

Get Free Storm Of Steel Penguin Modern Classics

approached. Both participant and commentator, close to the horrors of history but often distancing himself from them, Jünger turned his life and experiences into a work of art. These wartime journals appear here in English for the first time, giving fresh insights into the quandaries of the twentieth century from the keen pen of a paradoxical observer.

The noted French climbing guide and first man to climb all six of the great north faces of the Alps offers a personal account of his climbing adventures, recounting the dangers, triumphs, and joy found in the sport.
