The beloved author of Posted and Ms. Bixby's Last Day returns with the first book in a coming-of-age sci-fi duology about Leo, a kid trying to navigate the galaxy in order to save his family—and, possibly, the planet Earth. When scientists discover a rare and mysterious mineral buried in the Earth " s crust, they have no idea that it just happens to be the most valuable substance in the entire universe. It " s not long before aliens show up to our little corner of the galaxy offering a promise of protection, some fabulous new technology, and entry into their intergalactic coalition—all in exchange for this precious resource. A material so precious that other alien forces are willing to start a war over it. A war that soon makes its way to Earth. Leo knows this all too well. His mother was killed in one such attack, and soon after, his father, a Coalition scientist, decides it would be best for them to leave Earth behind. It " s on this expedition that their ship is attacked, Leo " s father is kidnapped, and Leo and his brother are stranded in the middle of space. The only chance they have is for Leo to stow away on a strange ship of mercenary space pirates bound for who knows where and beg the captain to help him find his father. But the road is dangerous, and pirates, of course, only look out for themselves. Leo must decide who to trust as he tries to stay alive and save his family, even as he comes to understand that there aren " t many people—human or alien—that he can count on in this brave new universe.

The Stowaway is at once a thrilling maritime adventure and a thought-provoking morality tale based on real-life events. The novel begins in the spring of 1996 when Rodolfo Miguel, a bosun on the Taiwanese container ship Maersk Dubai, discovers a hungry and frightened pair of Romanian stowaways. He presents them to his officers, fully expecting that they " ll be put to work or else dropped off at the nearest port. Instead, he and his fellow Filipino crewmen watch in silent horror as the Romanians are cast overboard in a flimsy raft only to disappear beneath the ship " s wake. The Stowaway moves seamlessly between two storylines. Aboard the Maersk Dubai, Rodolfo and his crewmen must deal with the emotional trauma of what they " ve seen – as well as grapple with how to act on what they know. The atmosphere on the ship grows increasingly tense as fear, anxiety and paranoia grip the Filipino sailors. Trapped witnesses to a crime, they wonder whom they can trust and whether they themselves will meet with the same fate as the stowaways. Meanwhile, a nineteen-year-old Romanian named Daniel Pacepa heads out on a nail-biting adventure from Bucharest to Algeciras. Poor, brave and full of youthful indiscretion, Daniel is desperate to stow away on a ship and head to a better life in America. Along the way, he meets another Romanian named Gheorghe and together they perform cheap labour, pose as evangelical Christians and do whatever it takes to find their way to the Spanish port of Algeciras. Eventually the two stories merge when Daniel and Gheorghe sneak onto the ill-fated Maersk Dubai. One man is killed, the other discovered by Rodolfo. Once again, the Filipino crewmen find themselves faced with an excruciating moral dilemma. Do they risk their own personal safety to save the life of a complete stranger? All of the scenes involving the Filipino sailors are as close to the truth as Robert Hough could manage based on exhaustive interviews with the crewmen as well as on their letters and journals. Though Hough invented the Romanians " land adventure, he based the story on considerable research, including interviews with Romanian-Canadians who had lived under the Ceausescu regime. Hough was widely praised for the deft way in which he mixes fact and fiction in The Stowaway. The critics were also unanimous in their admiration for the novel " s ability to seduce with suspense while at the same time posing profound issues for the reader to ponder. " This is a powerful novel that artfully combines the vivid, breathless pacing of the best adventure stories with the moral and metaphysical depth of the best literary fiction, " said Quill & Quire. And from the Vancouver Sun: " Harnessing the force of fiction and the weight of history, Hough has created a powerful, deeply human masterpiece out of tragedy and inhumanity. "

From writer, producer, and actor best known as "Murr" on the hit television shows Impractical Jokers and The Misery Index, James S. Murray, and co-writer Darren Wearmouth, comes The Stowaway, a suspenseful masterpiece that leaves a cruise ship stranded at sea with a serial killer hiding aboard. Two years ago, Maria Fontana, the head of the Psychology Department at Columbia University, sat on a jury for one of the most depraved cases ever to pass through the hallowed halls of City Hall. Wyatt Butler, an antique watch restorer and alleged serial killer, was portrayed in the courtroom as a brutal monster. But Maria had to make the tough choice. In good conscience, she couldn't convict him based purely on circumstantial evidence, and her deciding vote set Wyatt Butler free. The media soon outed her as the lone juror and her successful and quaint life was turned upside down. The victims of Wyatt's ritualistic killings never forgave her either. Now, she and her family have decided to take a vacation to get away from everything: a two-week-long transatlantic cruise. Nothing, and nobody should be able to bother her there. With her two twins and her fiancé Steve, she is set to put the past behind her as soon as the ship leaves port. But when a passenger mysteriously disappears, Maria is left to wonder if maybe this was no coincidence. When another passenger is discovered brutally murdered in a similar way to Butler " s ritualistic MO, the ship goes on lockdown. Maria, one of only twelve people in the world with intimate knowledge of the case, faces a perilous ticking clock. Is it a copycat? Or is she trapped on board with the bloodthirsty maniac she chose to set free?
