Sotheby's International Realty Affiliates LLC is a subsidiary of Realogy Holdings Corp. (NYSE: RLGY), a global leader in real estate franchising and provider of real estate brokerage, relocation and settlement services. In February 2004, Realogy entered into a long-term strategic alliance with Sotheby's, the operator of the auction house.

This book will teach you how to:

- Achieve wealth and cash flow through real estate
- Find property with real potential
- Show you how to unlock the myths that are holding you back
- Negotiating the deal based on the numbers
- Evaluate property and purchase price

Increase your income through proven property management tools

So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? MMake it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. in his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. THE ABC'S OF PROPERTY MANAGEMENT tells readers: How to decide when to manage your

Property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: a month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team.

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Every great team, culture, society, religion or business that has endured time, adversity and challenge has always had one thing in common: a set of simple but powerful rules that govern the internal behaviors and expectations of that group. It is called The Code of Honor. We hear of these Codes when we think of things like The Ten Commandments, the Marine Corps or the Constitution. Yet if sales is the number one skill in business, number two has to be the ability to bring ordinary people together to build a championship team. This does not happen by chance or by the simple accumulation of talent. The Code is the core ingredient to creating winning organizations. The book is a step-by-step guide for any individual, group or company to actually create a Code of Honor specific to their team. The Rich Dad Poor Dad Advisor series was designed as a "how-to" series to empower individuals to succeed in the world of business and finance. "Team Code of Honor" is critical to this series because its processes bridge all facets of business, investment, entrepreneurship and even personal life. The book explains through graphic examples, stories and numerous case studies how a Code or set of rules is created, maintained, enforced and used for rapid and controlled growth of any entity. The book is designed as an operating manual for putting any business team together. It steps you all the way from properly choosing players, to creating the Code, to increasing performance and to winning. Each chapter gives the team specific assignments and examples so that by the time you have completed the book, your Code is in place and your team is

From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

Return to Orchard Canyon... a Business Novel... Unlike any other business book, Return to Orchard Canyon will get you thinking—and working—toward a future you once thought was just a pipe dream. This is the story of David Reynolds, his father Ron, and his daughter Meghan. Through these unlikely teachers you'll discover a path to understanding the plight of modern-day life. A life you yourself may be living and questioning... So many people are feeling trapped and uncertain as their life unfolds. How exactly did your dreams pass you by? No matter who you are—how old you are or where you are in life—you can find that place of youthful energy and excitement again. It starts by returning to your own Orchard Canyon. Sometimes the best thing you can do in business and in life is to reinvent yourself. To go forward and embrace something new. Or... return to an earlier time and capture a dream that has eluded you. Sometimes that truth comes to you against your will. From unusual sources. When you least expect it. Destiny happens with or without your consent. Journey with us to Orchard Canyon, a real place tucked between the red rocks of Sedona, Arizona and the picturesque Oak Creek. Once there, you may discover that what was old is new and what you thought was impossible in your life can really happen. If you let it. Return to Orchard Canyon is a story that vividly captures the real feelings too many people have today. A sense of working for a paycheck, giving up their lives to make a living, and throwing any dreams they may have had aside as impractical, impossible. A trade-off... for survival. Return to Orchard Canyon dispels the myth that living means sacrificing and replaces it with the reality that our
