Skiing, mountaineering and soaking in hot springs are part of the culture of Central Honshū, an area dominated by the magnificent Japan Alps. Both the old castle town of Matsumoto, and Nagano, with its atmospheric temple of pilgrimage, Zenkō-ji, can be used as a starting point for exploring the region.

Guides

'The Rough Guide to the Music of Japan'
is a compilation of tracks from various
artists covering different styles of music in
Japan. This has a good mix of the modern
and traditional and whilst some of this isn't
great to listen to all the time, that is only
an opinion from a western perspective,
although I'm sure even some Japanese
people may find some tracks only good for
the occasional listen.
