The Struggle for Sea Power is a fine survey of the application of sea power during the American Revolution. It illuminates many aspects of the war at sea ranging from the weather to the political ramifications of both successes and failures.

The Struggle for Sea Power: A Naval History of the ...

The American decision for war was triggered by, what Winston Churchill called, "a life-and-death struggle" at sea between the navies of Great Britain and Imperial Germany. 2 Germany, a rising challenger, with aspirations to world power, was contesting the command of the maritime commons against Britain, the reigning superpower, which was accustomed to thinking of itself as the indispensable leader of the international system. On the outcome of this fight for naval mastery rested nothing ...
