For every woman who has ever dreamed of starting over, or being a better mother, or just knitting a really nice scarf . . . When her husband dies in a car crash--not long after announcing he wants a divorce--Jo Mackenzie packs up her two rowdy boys and moves from London to a dilapidated villa in her seaside hometown. There, she takes over her beloved Gran's knitting shop--a quaint but out-of-date store in desperate need of a facelift. After a rough beginning, Jo soon finds comfort in a "Stitch and Bitch" group; a collection of quirky, lively women who share their stories, and their addiction to cake, with warmth and humor. As Jo starts to get the hang of single-parent life in a small town, she relies on her knitting group for support. The women meet every week at the shop on Beach Street and trade gossip and advice as freely as they do a new stitch. But when a new man enters Jo's life, and an A-list actress moves into the local mansion, the knitting club has even more trouble confining the conversation to knit one, purl two. The Beach Street Knitting Society and Yarn Club is an uplifting, winning tale about the healing power of friendship and new beginnings. It's a charming novel that will delight all passionate knitters--and win over befuddled, would-be knitters, too.

Join in the fun on Sodor! Help Thomas and his friends find all the things they need for a very busy day. Little Thomas fans will love finding the big stickers to complete the scenes in this first sticker book. With 8 exciting scenes and over 50 colourful stickers, this fun sticker book allows readers to join in the adventures!

The Fat Controller has been invited to the Queen's birthday celebrations, far from the Island of Sodor, in the biggest city in the land, London. And what better engine to take him there than Thomas the Tank Engine. A delighted Thomas makes the long journey to London where he is put on a barge and taken down the Thames seeing Tower Bridge, St Paul's, The Shard, Parliament and many other landmarks along the way. It's a very proud day for the little blue engine in the big city!

Thomas the train engine thinks that all the other engines are too busy to help him celebrate his birthday, but he is in for a surprise.
