Sharp Outer or Inner Elbow Pain | Getting Instant Elbow ...

Physicians may encounter three different types of elbow injuries: acute, chronic, and acute-on-chronic. The authors guide readers through the management of all three types and stress the importance of a detailed history and physical exam in making a specific diagnosis.

Assessment and Treatment Guidelines for Elbow Injuries ...

Elbow pain is often caused by overuse. Many sports, hobbies and jobs require repetitive hand, wrist or arm movements. Elbow pain may occasionally be due to arthritis, but in general, your elbow joint is much less prone to wear-and-tear damage than are many other joints. Common causes of elbow pain include:

Elbow pain Causes - Mayo Clinic

Ice is generally reserved for the early painful stage. Apply ice to your elbow (placing a towel in between the ice pack and your skin) for 15 to 20 minutes, three times daily. It's also a good idea to apply ice to your elbow for 15 minutes after actively using your arm.
