Useful Work versus Useless Toil By William Morris The above title may strike some of my readers as strange. It is assumed by most people nowadays that all work is useful, and by most well-to-do people that all work is desirable. Most people, well-to-do or not, believe that, even when a man is doing work which appears to be useless, he is earning his livelihood by it - he is "employed," as the phrase goes; and most of those who are well-to-do cheer on the happy worker with congratulations and ...

Useless toil vs. useful work. William Morris – the 19th century designer, poet, writer and painter – carefully distinguished between what he termed useless toil and useful work. He reasoned that useful work had to engage both the mind and the senses and that, for that reason, an enjoyable occupation shared many characteristics with play and games. I enjoy teaching tremendously and count myself very lucky to be engaged in an occupation that satisfies me at every level and helps me develop ...

While it lasted, everything that was made by man USEFUL WORK V. USELESS TOIL. 15 was adorned by man, just as everything made by nature is adorned by her. The craftsman, as he fashioned the thing he had under his hand, ornamented it so naturally and so entirely without conscious effort, that it is often difficult to distinguish where the mere utilitarian part of his work ended and the ornamental began.
