older than the monument itself.

## **Stonehenge | Visit Bath**

One of England's oldest mysteries, Stonehenge, is a Stone Age Monument that is visited by thousands annually. This monument is over 3500 years old and is still in great and solid condition. There is no documented purpose for this monument but it has been referred to as a burial place, a calendar, and a place of worship and sacrifice. While new research has ruled out some earlier theories, there is still no solid confirmation on the original purpose of
